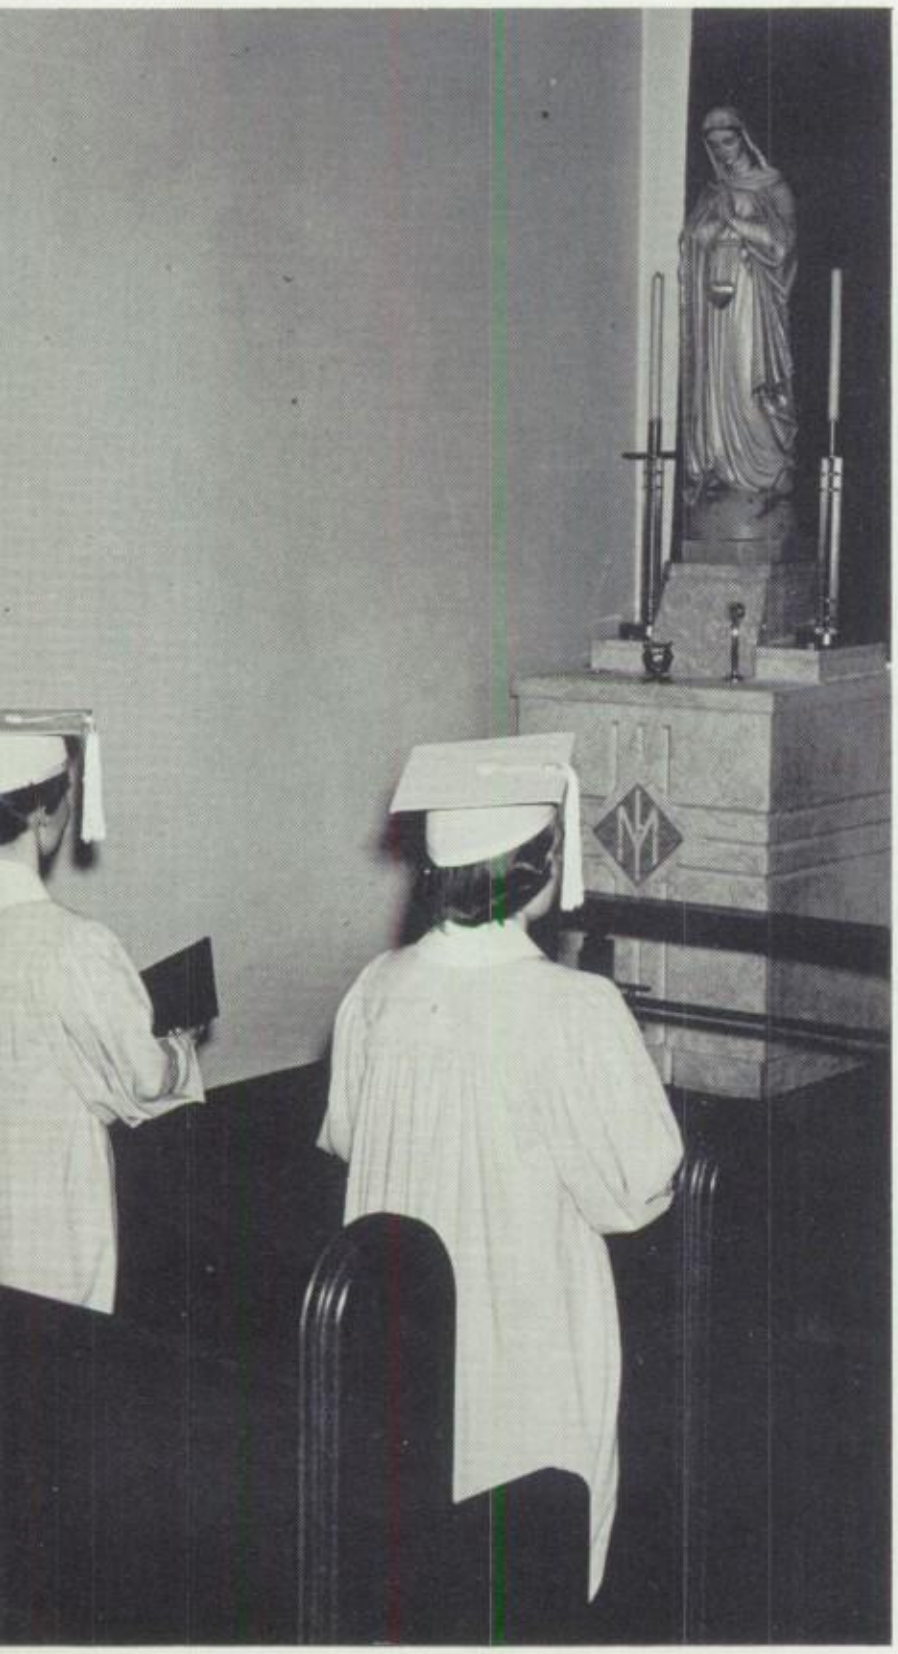
Foreword . . .



Our Past

We have never been so interested in history as we are in this, our addition to it. We, the Seniors, have a past. We are no longer young—young as when we entered Immaculata, and part of our past lies here before you.

The pictures, views, presented here are but keyholes into Memory's Keep wherein are stored rolls of film, the record of events and achievements, reams of visions, flashbacks of the dreams which went into the making of our years at Immaculata—our formative years.

Our Future

In all aspects of our life—religious, social, family, professional—the past will play its part. It will serve somewhat as a barometer to predict the future; but more than an indicator, it will tend to direct and form because

Wouldst thou plant for Eternity, then plant into the deep infinite faculties of man."

TO FATHER FRANCIS X. DIETZ

Our chaplain and confessor . . . our counsellor, teacher, and friend--we say a deep and sincere "thank you."

Your kindly words of advice, your enlightening senior marriage courses, and your whole-hearted attention to our spiritual needs are treasures of the past--treasures that are now a deep and intimate part of us.

May God, the Fountain of Light and Wisdom, shed upon you the rays of infinite brightness so that you may continue to direct the spiritual progress of each Immaculata student.

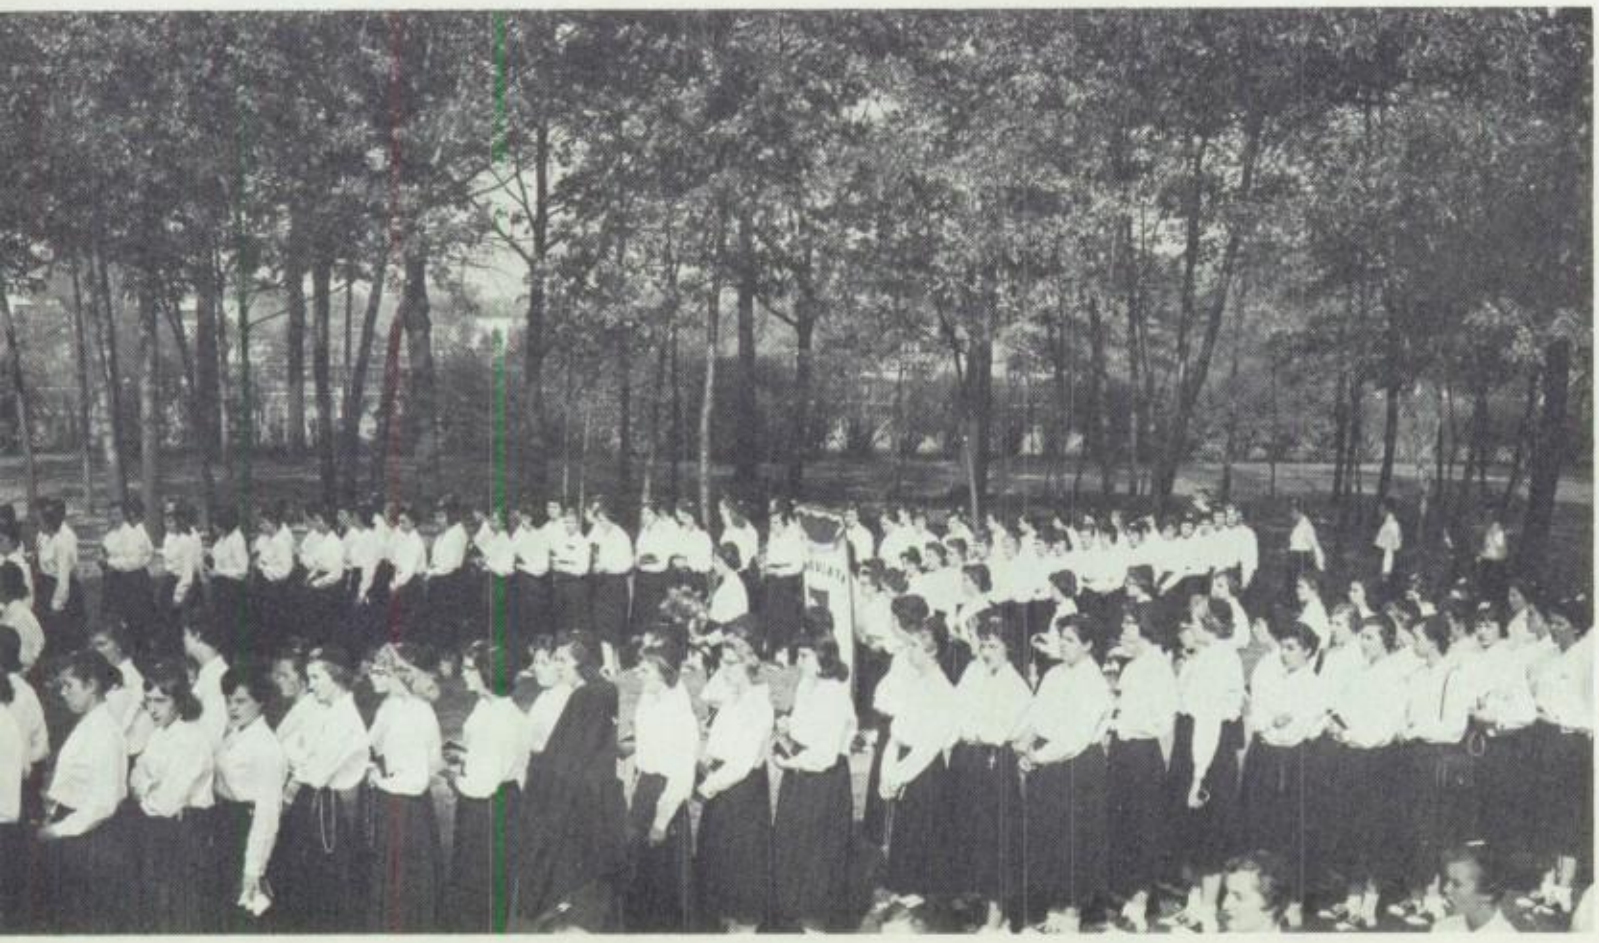
Of all the extra-liturgical devotions which a student can spread among her friends or practice with her family no other can be more pleasing to God or profitable to the group than the Rosary devotion. When properly recited the Rosary combines the two great forms of prayer practiced by the Church—vocal and mental. The great works of God's goodness as they are presented to us in the fifteen mysteries of the Rosary are not beyond the comprehension of a little child and can have a transforming effect on the lives of adults.

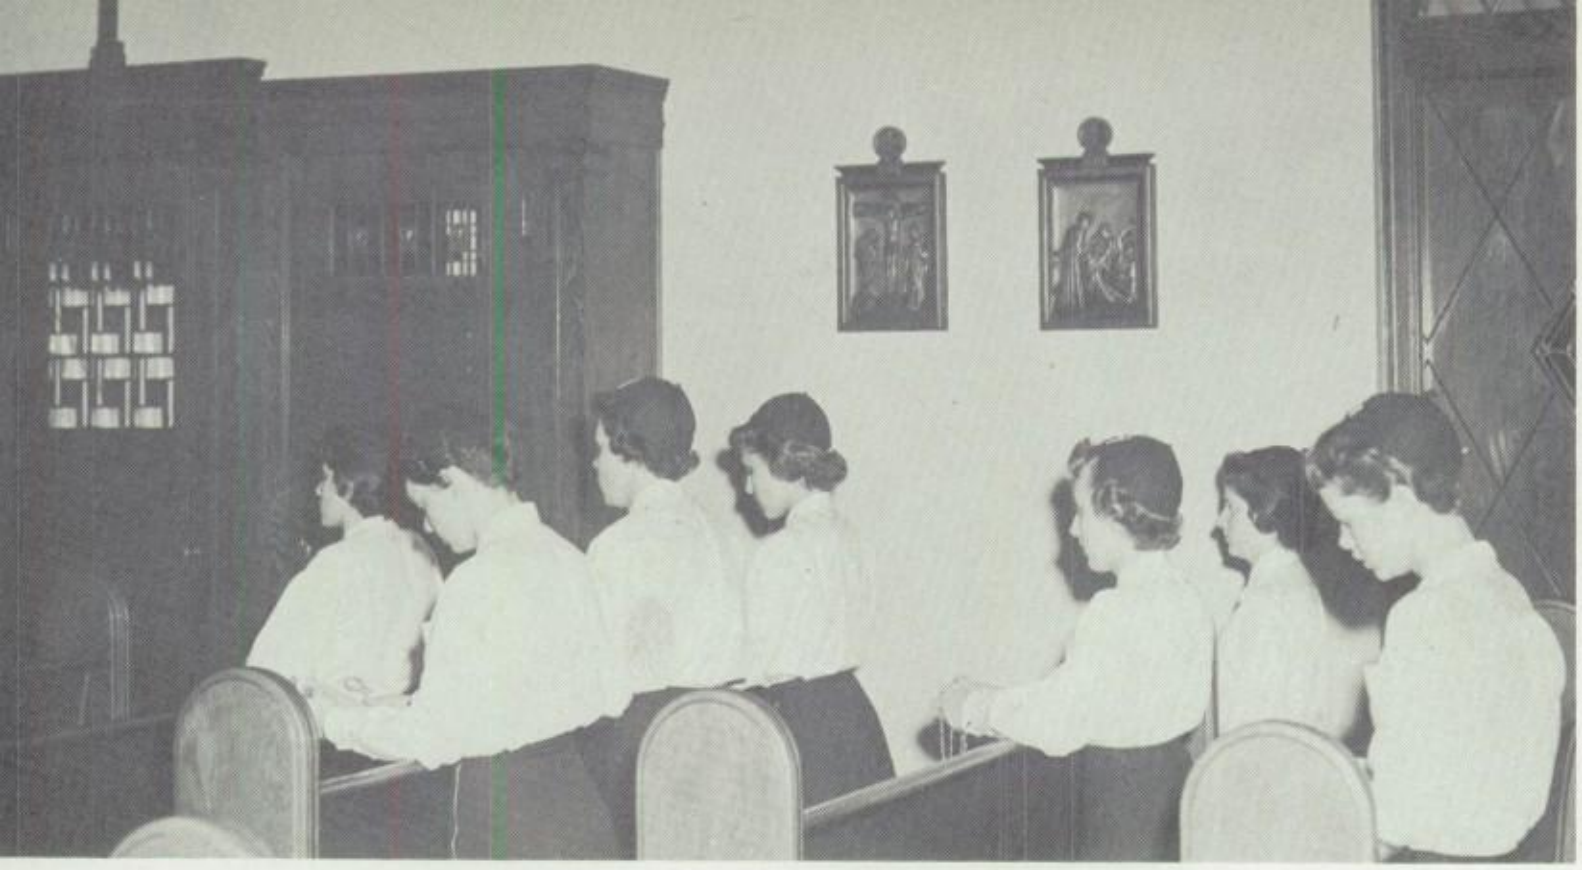


The Immaculata calendar of devotional activities opens with the Rosary procession in early October and closes with the May crowning at the end of May.

The Annual Retreat

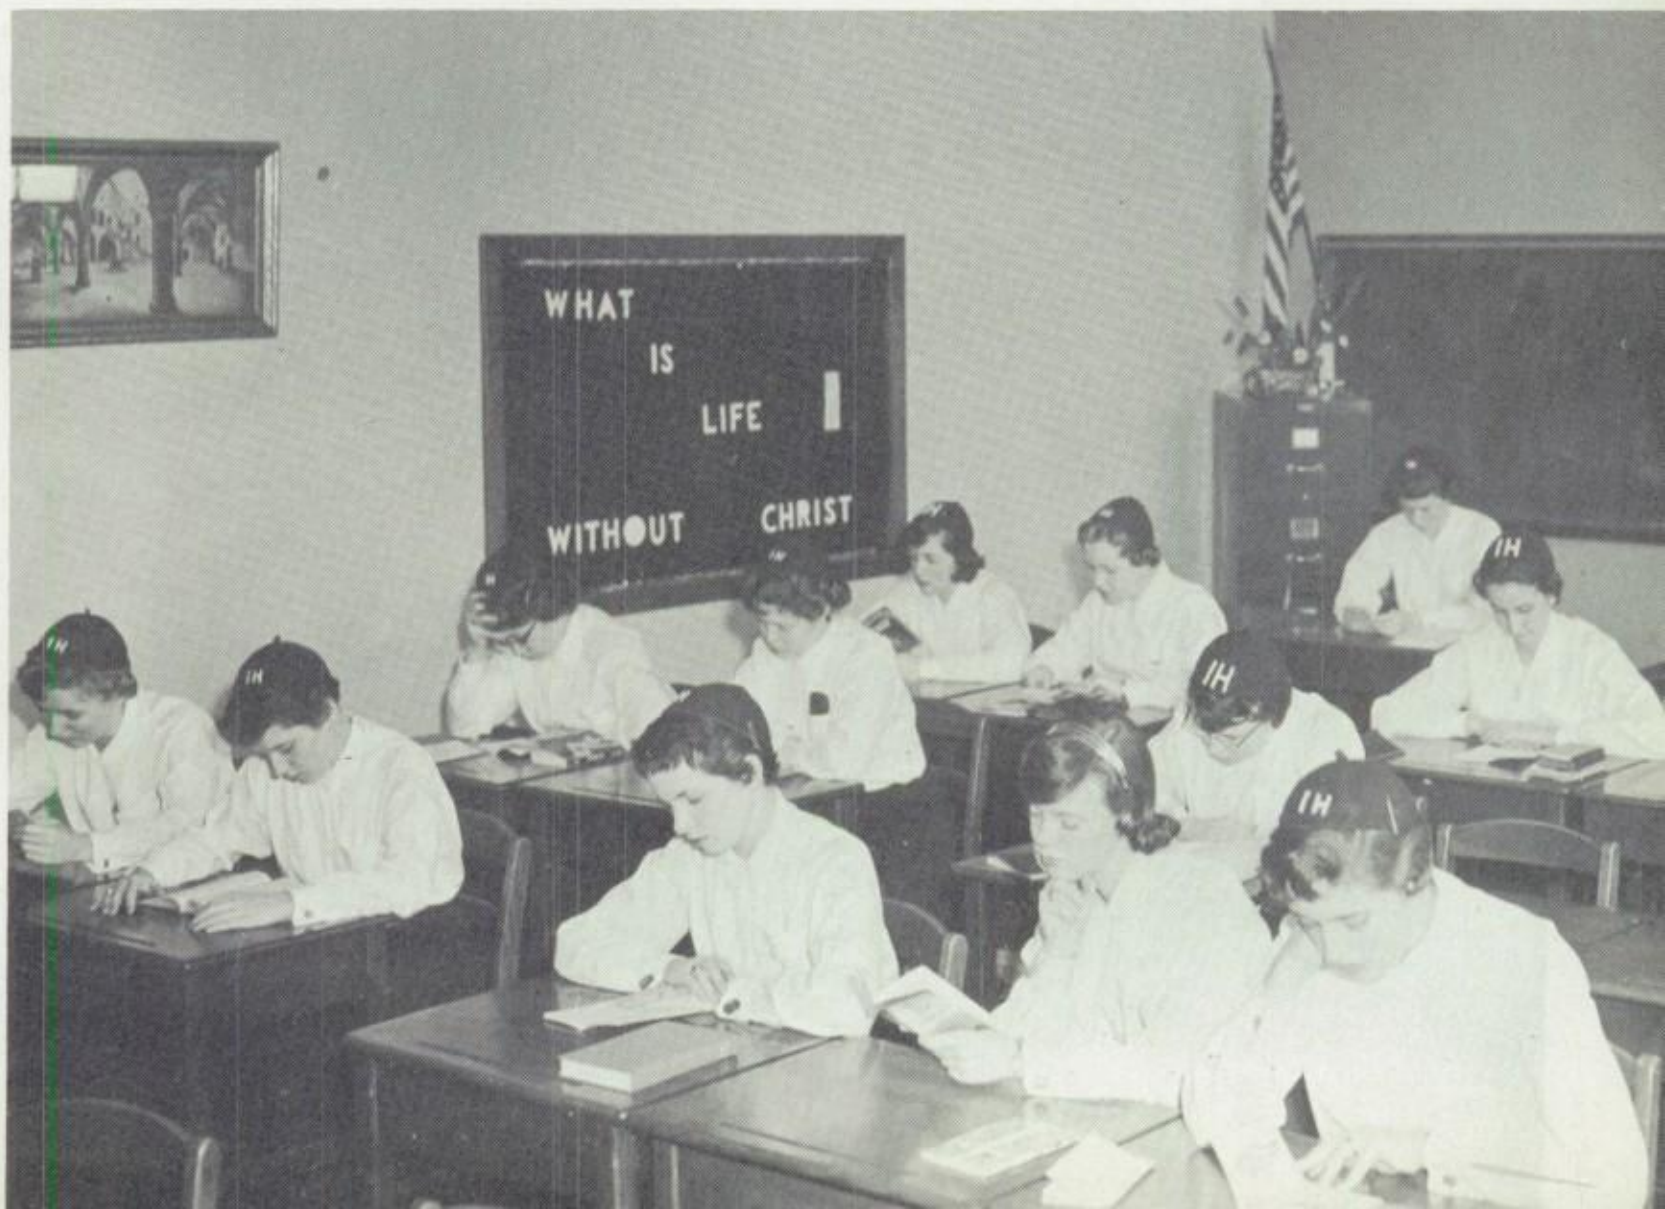
Rev. Edward Lovely S.J.
Freshman–Sophomore Retreat Master

Rev. Thomas C. Biecker S.J.
Junior--Senior Retreat Master



Frequent confession is a most excellent means both of purifying the soul from faults that impede union with God, and of strengthening it for the future by the sacramental graces conferred.

Spiritual Reading is to Mental Prayer as Oil to a Lamp. Instruction and encouragement assimilated by devout reflection will not fail to render a student's life more useful, more peaceful, and more meritorious.

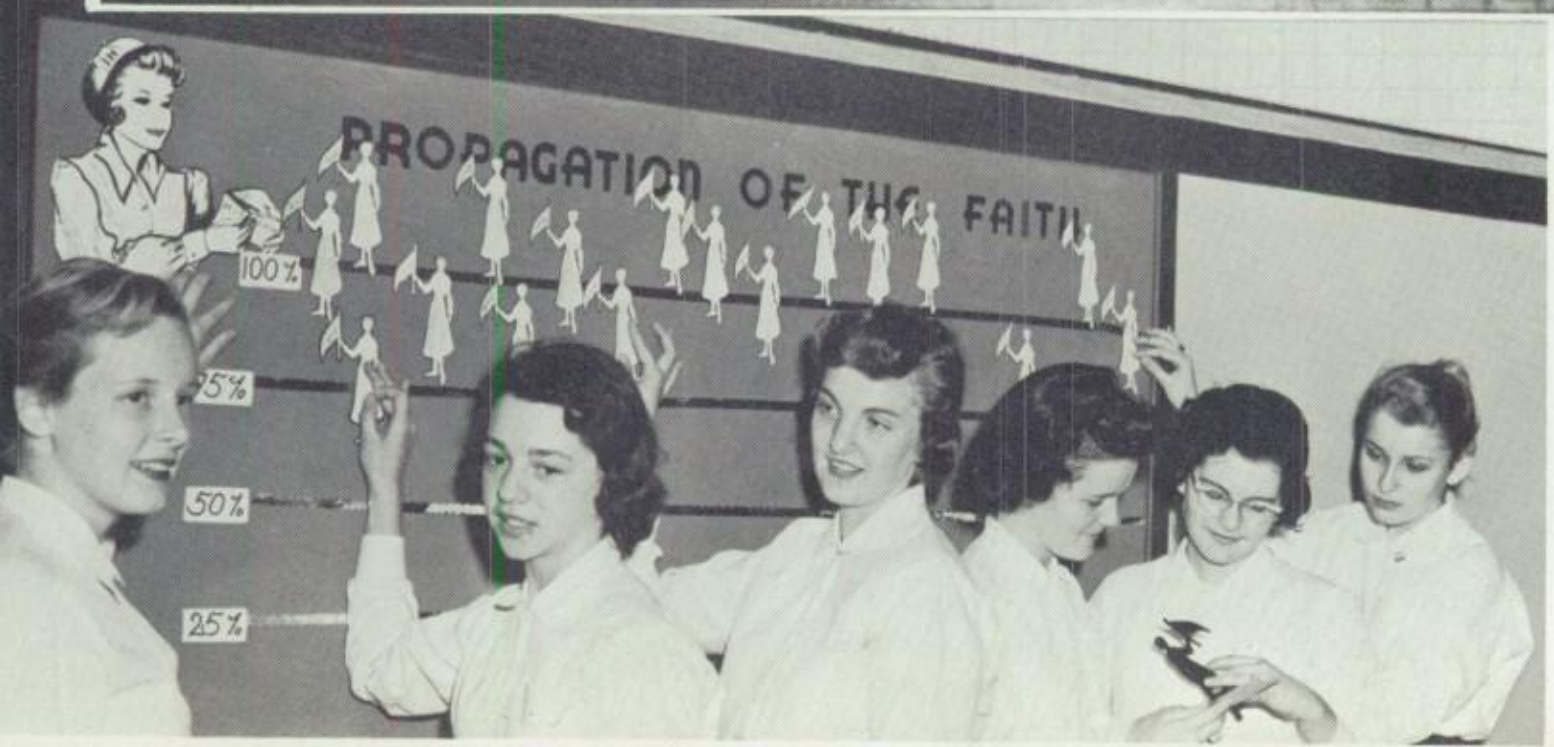


OUR STUDENT SPIRITUAL COUNCIL helps to keep the tempo of the spiritual life high at Immaculata by directing our activities which stem from the spiritual and corporal works of mercy.

At the first assembly last fall the general officers introduced their homeroom committee members and the particular work of their group to the student body.

The Publicity Committee enlisted all media of Communication to carry out its work of keeping the student body spiritually informed.

In December, Our Lady's Committee dedicated "The Summons of Sariel" to their special Patroness.



Apostolic chairman kept the Propagation of the Faith drive alive and fruitful; directed our "Father Suedkamp" day and collected our contributions for The Catholic Bishops' Relief Fund.

QUEEN OF OUR SCHOOL, IMMACULATA

Queen of our school, Immaculata,
Queen of our hearts, we ask of thee,
Shed o'er our path through carefree girlhoo
The rays of thy sweet purity.
Queen of our school, Immaculata,
Teach us life's lessons day by day,
Here at thy feet, thy mantle o'er us,
Mary Immaculate, we pray.

Queen of our hearts, Immaculata,
Direct our lives 'neath thy blessed rule
Make us each day more like to Jesus,
And thee, the Queen of our loved school.

Be thou our Life, Immaculata,
Be thou our Sweetness, calm, serene,
Be thou our Hope, with love as beacon
To lead us home to thee, our Queen.

When the play opens near Lucerne, Switzerland, late in the summer of 1939, the girls are returning to school after the holidays. Under the guidance of a wise and pleasant schoolmistress, they are continuing their schooling apart from the hatreds of the world.

It is their custom at night to read their letters from home aloud in the dormitory before retiring.

At the boarding school any girl's package is every girl's package.

A bit of the masculine at Lucerne.

Mrs. Hunter tries to keep the school isolated from the terrible things that are happening outside, but the letters carry the bitterness in. In a final letter which Erna has resolved not to read, the girls receive a rude awakening.

What's past...
is the prologue.
Mary...
our life, our sweetness, and our hope!

PRESIDENT—KATHRYN JOHNSON—ST. ALPHONSUS
Sweet and Irish—that's our Kathy. An active member of the Sodality, Dramatics Club, and G.A.A., she has lived a full life at I.H. We'll remember her in many ways—as winner of the St. Jude Award for athletic interest in her sophomore year; as Sister Columba in Seven Nuns in her junior year; and as a member of the Senior Quartet . . . and "our president" in her senior year.

VICE-PRESIDENT—SHARON KASCHALK—PRECIOUS BLOOD
Blessed with a sense of humor and the ability to share it with others, this lovable young lady has brightened many a dark school day for us. We'll remember her for many achievements—especially her outstanding skill in riding horses.

SECRETARY—PATRICIA McGRAIL—GESU
In our junior year we welcomed a red-headed Irish lass into our class. Since then Pat has won recognition in Sodality, Choral, and Dramatics; has earned Scholastic Honors; and—during her last year—our vote for class secretary.

TREASURER—JANET HOWARN—EPIPHANY
With quiet consistency, Jan has proved herself capable of any task—be it collecting class dues or collecting "A's" on her report card. Sodality, Dramatics, and Choral are but a few of her extra-curriculars. We'll vote on Jan's future success in whatever field she chooses.

STUDENT COUNCIL

PRESIDENT—JUDITH REGENOLD—OUR LADY OF GOOD COUNSEL
Immaculata's "Liberace" . . . able leader . . . and lovable one. When the Juniors of '56 elected Judy, they couldn't have chosen a more versatile candidate. Besides being a four year Sodalist, member of Dramatics and Choral, as President of the Student Council she has been the backbone of many successful school activities.

VICE-PRESIDENT—KATHRYN JOHNSON

SECRETARY—JOYCE COLOSIMO—CHRIST THE KING
Our Joycey—with the same perfection with which she garnered Student Council meeting highlights and turned them into interesting and readable notes, she will—we are sure—arrange the activities of her future life. A member of Choral and Orchestra, our representative for Quad-Hi—Joyce has made every minute count.

TREASURER—MARY ANN GOETZ—PRECIOUS BLOOD
We all marvel at how Mary Ann has shouldered her many responsibilities—so quietly, so efficiently, and so completely. A Sodality member for three years . . . in the Dramatic Club for two years . . . and an honor student as well—Mary Ann believes in doing things up right.

SERGEANT AT ARMS—KATHLEEN McCLOREY—ST. MARY OF REDFORD
As treasurer of the junior class, Kay has proved our trust in her. In addition to being an ardent student, she is also an avid Notre Dame fan. We shall always remember how hard Kay worked to promote our "all school dance."

PREFECT—MARY WILDERN—GESU
The Class of 1957 made a happy choice when it elected Mary to this treasured office. Her willingness to work has highlighted not only Sodality events and activities, but also those of the Future Teachers' Club and Dramatics. Mary's seriousness of purpose should enable her to glean the most—both scholastically and socially—from college life.

VICE-PREFECT—ANNE O'NEILL—GESU
Tiny, but dynamic—Anne was perfectly suited for her office. Whatever the gimmick in her SSC speeches, she always managed to drive home the main idea of spiritual guidance through Christ.
